

I... haven't fallen...

I win...

It's too early
to rejoice.

You ARE great indeed.

For holding on for 5 minutes.

Now I'll deal the final blow...

Wait!

Unnecessary. It's
Devil Executioner's
victory.

'Bring it on if you can even
walk a single step into the
campus'

That's what you
said right?

We won...

Devil Executioner
Wang right?

My name is Earth
Screwdriver Gao.

You all have outstanding
potential, maybe one day
you can dominate Judgement
Primary School...

Let's fight again
by then!

.....

There will be such a day.
You have our words.

Interesting.

But...

You want to dominate
Judgement Primary School
with only that power...

我赵日天不服！

I, Heaven
Fucker
Zhao
do not
accept!
